Subject: FW: Reminder SIRA - frameworks for non-treating health practitioners

Good afternoon

The following are Dr Stephen Potters responses after reviewing the documents

- [Proposed authorised health practitioner appointment and regulatory framework](#)

No specific response. All reports should be data driven with supporting journal evidence.

- [Proposed injury management consultant approval and regulatory framework](#)

It would be helpful to notify NTD prior that IMC will follow.

- [Injury management consultant approval framework – summary of changes.](#)

No direct input.

Kind Regards,
