

CTP Green Slip prices

How prices are set

Insurers set their own Green Slip prices in a competitive market. There is legislation, regulations and guidelines that they must follow. The State Insurance Regulatory Authority (SIRA) regulates insurers to make sure they follow them to ensure premiums are fair and affordable for all NSW motorists.

SIRA's Green Slip Check

is a free online tool to get a quick and easy Green Slip price comparison from all licensed CTP insurers.

Insurer's cost

This is estimated to cover the cost of future claims as well as ongoing costs and profit.

Insurers choose their own rating factors, these are used to assess the risk of each policy.

These may include:

- driver/owner's age
- demerit points
- at fault accidents
- vehicle age
- if vehicle has other motor insurance.

Fund Levy

A Fund Levy is also included in the cost of each Green Slip.

The Fund Levy covers:

- ambulance and initial hospital care
- LifeTime Care for those with a severe injury
- treatment and care for people with a need more than five years after the accident
- services provided by SIRA.
