Question	Answer
----------	--------

Is this a personal submission or on behalf of a professional body or organisation (please specify)?

personal submission

If a professional body or organisation, please specify the organisation

Do you currently have, or have you previously had, a work-related hearing loss claim?

No, I've never had a work-related hearing loss claim

What would you rate the current system for workers with work-related hearing loss?

0

Are there barriers to workers accessing their work-related hearing loss entitlements?

Can improvements be made in the following areas?

access to benefits, service provision, insurer claims management

For any options you selected above, what changes can be made?

If I was to make a claim,
 - how do I go about it without going to a law firm or the union.
 - How do I identify which organisation is defined as ' the last noisy employer' as I often see in workplace claims.
 - How do you know if its a workplace induced or a degenerative hearing process

What would help to improve workers' use and benefit of hearing aids?

Question

Answer

How can the use of hearing aids for work-related hearing loss be evaluated?

How can the process for servicing devices and the provision of batteries and replacement aids be improved?

Hearing aids are constantly evolving with new technology and improvement. How can hearing aid quality and function be balanced with overall device cost?

Please include any other general comments not addressed above.
