Consultation questions

Are you:: an employer or representative organisation

If someone else, please
specify:

Please outline your
feedback here:

I have experienced minimal improvement with pro-active case management from Workers Insurance. In most cases I don't get a phone call following lodgement of a claim and I am the one who recommends rehab, questions to the doctor, IME's, return to work management ideas. There is no relationship between case managers and employers or brokers- this needs to be a focus to improve return to work outcomes.

You can attach your
feedback as a separate No file uploaded
attachment:
