### Explanatory Note

Treatment by a “masseur” is medical or related treatment covered under the *Workers Compensation Act 1987*. For the purposes of this Order, the term “masseur” is interchangeable with “Massage Therapist”. This Order sets the maximum fees for which an employer is liable under the Act for reasonably necessary treatment by a Massage Therapist of a worker’s work related injury.

This Order provides that approval by workers compensation insurers must be sought for certain Massage Therapy services. Workers are not liable for the cost of any medical or related treatment. Employers are liable for the cost of treatment. Employers are only liable to pay as a maximum the amounts for Massage Therapy services set out in this Order.

The incorrect use of any item referred to in this Order can result in penalties, including the Massage Therapist being required to repay monies to the State Insurance Regulatory Authority (the Authority), that the Massage Therapist has incorrectly received.
